

Centre type data

The data below provides a comparison in entries and outcomes between Independent schools and all other centres. Due to the significant movement in centre type (mainly driven by changes to Academy status) we have concluded that it is not meaningful to provide a breakdown within the all other centres category.

Series	Centre Type	Number sat	Cumulative percentages by grade								
			A*	A	B	C	D	E	F	G	U
Summer 2012	Independent centres	366182	23.0	49.9	73.7	89.7	96.5	98.7	99.5	99.8	100.0
